

TEACHER TRAINING WORKSHOP TOPICS

BCM International (Canada) Inc. offers practical teacher training workshops to enable children's ministry workers to effectively disciple children to know, love, and obey God.

Choose from the following workshops:

1. **Fun with Review:** Discover review ideas and games to make review fun and effective!
2. **Getting Kids Into the Word:** Fun and successful ways to get children to use their Bibles (includes Bible Drill).
3. **Managing Your Classroom:** Practical discipline strategies to create a "teachable" atmosphere in the classroom.
4. **Learning styles—What are they?** How do you learn best? Learn to implement basic learning styles into your teaching to reach each child on their level of understanding.
5. **Today's Kids and Their World:** Culture: its impact on children and how we present the Word of God.
6. **Building Relationships:** Simple ways to get to know your children and to teach to their needs and developmental characteristics.
7. **Presenting the Gospel:** Methods and tools to present the Gospel message clearly and effectively to children.
8. **"Now What Do I Say?":** Dealing with students who respond to the Gospel invitation.
9. **Lesson Preparation:** A simple, practical and hands-on approach for preparing your Bible lesson.
10. **See it-Say it-Do it!** A little old—a little new . . . tried and true ideas for using a variety of methods & visuals.
11. **Flannelgraph is Not Dead!** A tried and effective visual to involve your students and keep them interested.
12. **Fun with Storytelling:** Make the Bible story come alive with some practical helps for telling the Bible story.
13. **Me, Memorize The Bible?** - Discover fun and interactive ways to effectively teach and reinforce Bible memorization.
14. **Missions in Your Classroom:** Ways to introduce and create a "heart" for missions in your children.
15. **Reaching Around The World:** How to minister effectively to children from another culture, language and non-biblical background.
16. **Meeting the Needs of the "Special Needs" Child:** Integrating and supporting "special needs" children - those with mental challenges, autism, ADHD or in wheelchairs - into the classroom and showing them they are valuable to God.
17. **Sharing Christ With Kids:** Learn the skills to effectively present the Gospel to children and to lead a child to Christ in these practical four 1-hour workshops.
